and promotional materials, and every time anybody asks you about your ebook.

An efficient technique for figuring out a worth is to ship out a survey to your current customers. If these customers have already bought an e-book from you, ask for their opinion by way of price. Do that by making a gross sales page for the brand new book, but do not embody a value on that page. Instead, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Be sure your sales copy is strictly the same on every page, and consists of your selling-deal with sentence. Then figure out for every page the conversion ratio between visitors to your web site and gross sales of your book. This will let you know what your optimum value is.
