Do that by making a gross sales page for the brand new guide, but don't embrace a worth on that page. As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to test out prices by making a number of duplicate sales pages with totally different costs on each page. Make certain your gross sales copy is exactly the similar on every page, and consists of your selling-deal with sentence. Then work out for every page the conversion ratio between guests to your site and gross sales of your book. It will tell you what your optimum worth is.

Ultimately, for those who've written a e book that solves a drawback or presents a brand new technique, your e book will usher in both traffic and profits.
