Marketing Strategies

The key that unlocks the gross sales potential of your e-book is to discover a single sentence that becomes your selling handle. This sentence states what question or drawback your guide solutions and the advantages your book can provide. Then be sure you use that sentence in each piece of gross

sales and promotional materials, and every time anyone asks you about your ebook.

An efficient approach for determining a value is to ship out a survey to your current customers. If these prospects have already purchased an e book from you, ask for their opinion when it comes to price. Do that by making a gross sales page for the new guide, however do not include a price on that page. One other strategy is to check out prices by creating a variety of duplicate gross sales pages with different costs on every page. Make certain your gross sales copy is exactly the same on every page, and contains your selling-handle sentence. Then determine for every page the conversion ratio between guests to your web site and sales of your book. This will tell you what your optimum price is.

Finally, should you've written a e book that solves a drawback or presents a brand new approach, your ebook will bring in both traffic and profits.
