Do this by making a sales web page for the new e book, but do not include a price on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to test out costs by making a number of duplicate gross sales pages with completely different prices on every page. Be certain your sales copy is exactly the similar on

every web page, and contains your promoting-handle sentence. Then work out for every page the conversion ratio between visitors to your web site and gross sales of your book. It will tell you what your optimum value is.

Finally, in the event you've written a e book that solves a downside or presents a brand new technique, your book will herald both traffic and profits.
