An efficient method for figuring out a price is to ship out a survey to your current customers. If these customers have already purchased an e-book from you, ask for their opinion in terms of price. Do that by creating a gross sales page for the brand new e-book, but don't include a price on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out costs by creating a number of duplicate gross sales pages with totally different prices on each page. Make certain your sales copy is strictly the similar on every page, and contains your promoting-deal with sentence. Then figure out for each web page the conversion ratio between guests to your website and sales of your book. This may tell you what your optimum worth is.

Ultimately, if you happen to've written a book that solves a downside or presents a brand new technique, your guide will usher in each visitors and profits. So you'll want to write that selling-deal with sentence that sums up what problem your e book solves and what the benefits of your 1283 e book will be to the customers who purchase it.
