Do this by creating a sales page for the brand new guide, but do not include a value on that page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

page, and contains your selling-handle sentence. Then work out for every page the conversion ratio between visitors to your web site and gross sales of your book. It will let you know what your optimum value is.

In the end, in the event you've written a guide that solves a drawback or presents a brand new approach, your ebook will bring in both site visitors and profits.
