Another strategy is to check out prices by making a number of duplicate gross sales pages with different prices on every page. Ensure your sales copy is exactly the same on each web page, and

includes your promoting-deal with sentence. Then work out for each page the conversion ratio between guests to your site and sales of your book. This will inform you what your optimum worth is.

Finally, if you happen to've written a guide that solves a downside or presents a new technique, your ebook will usher in both visitors and profits. So you should definitely write that selling-handle sentence that sums up what problem your guide solves and what the benefits of your 1547 ebook will be to the purchasers who purchase it.
