If these customers have already purchased an e book from you, ask for their opinion in terms of price. Do that by making a sales web page for the brand new ebook, but don't embody a price on that page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to check out costs by making a number of duplicate gross sales pages with completely different prices on every page. Make sure your gross sales copy is precisely the

identical on each web page, and includes your promoting-deal with sentence. Then work out for each web page the conversion ratio between guests to your website and gross sales of your book. This will let you know what your optimum value is.

Finally, when you've written a e book that solves a problem or presents a brand new approach, your ebook will usher in both traffic and profits.
