Begin at the highest worth the market will bear to usher in the largest income, and plan to low cost the book a number of occasions all through the year.

Do this by making a sales web page for the brand new guide, but do not embrace a value on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to test out costs by making a variety of duplicate gross sales pages with different prices on every page. Be sure your gross sales copy is precisely the same on each web

page, and includes your selling-handle sentence. Then determine for each web page the conversion ratio between visitors to your web site and sales of your book. It will tell you what your optimum worth is.

In the end, if you've written a guide that solves a problem or presents a brand new approach, your e book will usher in both site visitors and profits.
