Do that by making a sales web page for the brand new guide, but don't embody a value on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to check out costs by creating a variety of duplicate sales pages with totally different prices on every page. Make sure that your sales copy is strictly the same on each page,

and contains your selling-handle sentence. Then determine for each web page the conversion ratio between visitors to your web site and sales of your book. This can inform you what your optimum value is.

Ultimately, in case you've written a guide that solves a problem or presents a brand new approach, your guide will usher in each site visitors and profits.
