Advertising Methods

The important thing that unlocks the gross sales potential of your ebook is to find a single sentence that turns into your promoting handle. An effective approach for figuring out a price is to ship out a survey to your present customers. If these customers have already bought an e book from you, ask for their opinion when it comes to price. Do this by creating a sales web page for the brand new e book, but do not embrace a value on that page. One other technique is to test out prices by creating a variety of duplicate sales pages with different prices on every page. Make sure that your gross sales copy is strictly the same on each

web page, and includes your selling-deal with sentence. Then determine for each web page the conversion ratio between visitors to your site and sales of your book. This may let you know what your optimum value is.
