Do this by creating a gross sales page for the brand new guide, however don't embody a value on that page. As an alternative, add numerous links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to check out costs by creating a variety of duplicate sales pages with totally different prices on each page. Be sure your gross sales copy is exactly the identical on each web page, and consists of your selling-deal with sentence. Then determine for each page the conversion ratio between visitors to your website and gross sales of your book. This can let you know what your optimum price is.

In the end, if you've written a e book that solves a drawback or presents a brand new technique, your ebook will bring in each visitors and profits.
