Advertising Strategies

and promotional material, and each time anyone asks you about your ebook.

Do that by creating a sales web page for the new book, however don't embrace a value on that page. Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to check out costs by creating a number of duplicate sales pages with totally different costs on each page. Make sure that your sales copy is strictly the similar on every page, and consists of your selling-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your site and sales of your book. This may inform you what your optimum value is.

In the end, in the event you've written a ebook that solves a drawback or presents a brand new technique, your guide will usher in both traffic and profits.
