An effective approach for determining a value is to ship out a survey to your present customers. If these clients have already purchased an ebook from you, ask for his or her opinion in terms of price. Do this by creating a gross sales page for the new ebook, however don't embody a worth on that page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another strategy is to test out costs by making a number of duplicate sales pages with completely different costs on every page. Be certain that your gross sales copy is exactly the same on each

page, and consists of your selling-handle sentence. Then determine for every web page the conversion ratio between visitors to your web site and gross sales of your book. It will tell you what your optimum worth is.

Ultimately, in case you've written a guide that solves a drawback or presents a brand new method, your ebook will bring in each traffic and profits.
