Another strategy is to test out prices by creating a variety of duplicate sales pages with completely different prices on each page. Make sure that your gross sales copy is exactly the identical on each web page, and consists of your promoting-handle sentence. Then figure out for each page the conversion ratio between visitors to your site and sales of your book. It will let you know what your optimum value is.

Finally, when you've written a e book that solves a drawback or presents a new approach, your guide will usher in both traffic and profits. So you'll want to write that selling-handle sentence that sums up what problem your guide solves and what the benefits of your 2353 e book will probably be to the customers who purchase it.
