As a substitute, add plenty of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to test out prices by making a variety of duplicate sales pages with totally different costs on every page. Ensure your sales copy is strictly the same on each page, and contains your selling-handle sentence. Then work out for every web page the conversion ratio between guests to your web site and gross sales of your book. This will inform you what your optimum value is.

Finally, when you've written a e-book that solves a problem or presents a new technique, your guide will herald both site visitors and profits.
