The key that unlocks the gross sales potential of your e-book is to discover a single sentence that becomes your promoting handle. An effective approach for figuring out a worth is to ship out a survey to your current customers. If these prospects have already purchased an book from you, ask for his or her opinion by way of price. Do that by creating a sales web page for the brand new e-book, but do not embrace a value on that page. Another technique is to check out prices by creating a number of duplicate sales pages with different costs on each page. Make sure your gross sales copy is precisely the same on each web page, and contains your promoting-handle sentence. Then determine for each page the conversion ratio between visitors to your site and gross sales of your book. It will let you know what your optimum worth is.
