price on that page. As a substitute, add various links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to check out prices by creating a variety of duplicate sales pages with completely different costs on every page. Be sure your gross sales copy is precisely the identical on each web page, and contains your promoting-handle sentence. Then work out for every page the conversion ratio between visitors to your web site and gross sales of your book. This will inform you what your optimum worth is.

Finally, if you happen to've written a book that solves a problem or presents a new method, your guide will usher in both traffic and profits.
