If these clients have already purchased an ebook from you, ask for his or her opinion when it comes to price. Do this by making a gross sales page for the new e book, however do not embody a worth on that page. Instead, add a lot of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to check out costs by creating a number of duplicate sales pages with totally different prices on each page. Be certain that your gross sales copy is exactly the similar on every

web page, and includes your promoting-handle sentence. Then work out for every web page the conversion ratio between visitors to your site and sales of your book. This may inform you what your optimum worth is.

Ultimately, if you've written a e-book that solves a problem or presents a new method, your book will herald each traffic and profits.
