Another strategy is to check out prices by creating a number of duplicate gross sales pages with completely different prices on every page. Make certain your sales copy is precisely the identical

on every page, and contains your promoting-handle sentence. Then work out for every page the conversion ratio between visitors to your site and gross sales of your book. This can inform you what your optimum worth is.

Ultimately, should you've written a ebook that solves a problem or presents a new approach, your ebook will bring in both site visitors and profits.
