An efficient technique for determining a value is to ship out a survey to your current customers. If these clients have already bought an ebook from you, ask for their opinion in terms of price. Do this by creating a gross sales page for the new guide, however don't include a price on that page. Another strategy is to check out prices by creating a number of duplicate sales pages with different prices on each page. Ensure that your sales copy is exactly the same on each page, and consists of your selling-handle sentence. Then work out for each page the conversion ratio between visitors to your web site and sales of your book. It will tell you what your optimum worth is.
