Do that by creating a sales web page for the brand new e-book, however don't include a worth on that page. One other strategy is to check out prices by making a variety of duplicate gross sales pages with different costs on every page. Be sure that your sales copy is exactly the identical on each page, and consists of your selling-deal with sentence. Then figure out for each page the conversion ratio between visitors to your site and sales of your book. It will inform you what your optimum price is.
