Do that by creating a gross sales web page for the brand new e-book, however do not include a worth on that page. Instead, add a number of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to check out prices by creating a number of duplicate gross sales pages with totally different costs on every page. Make sure your gross sales copy is precisely the identical on each web page, and consists of your selling-deal with sentence. Then determine for each web page the conversion ratio between visitors to your web site and gross sales of your book. This will let you know what your optimum price is.

In the end, if you've written a ebook that solves a drawback or presents a brand new technique, your book will herald each visitors and profits.
