If these customers have already purchased an e book from you, ask for his or her opinion when it comes to price. Do this by making a gross sales web page for the brand new ebook, but don't include a value on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to test out prices by making a number of duplicate gross sales pages with completely different prices on every page. Make certain your gross sales copy is strictly the

identical on every page, and includes your selling-deal with sentence. Then figure out for each page the conversion ratio between visitors to your site and sales of your book. This may inform you what your optimum worth is.

Finally, should you've written a book that solves a drawback or presents a new method, your ebook will herald each visitors and profits. So make sure to write that promoting-deal with sentence that sums up what problem your guide solves and what the benefits of your 945 e-book will likely be to the customers who purchase it.
