One other strategy is to test out prices by creating a number of duplicate gross sales pages with different prices on each page. Be sure your sales copy is precisely the similar on every web page,

and contains your promoting-deal with sentence. Then work out for each web page the conversion ratio between guests to your web site and sales of your book. It will let you know what your optimum worth is.

Finally, in the event you've written a e-book that solves a drawback or presents a brand new method, your guide will bring in both traffic and profits.
