Advertising and marketing Methods

The key that unlocks the gross sales potential of your ebook is to find a single sentence that becomes your promoting handle. This sentence states what question or problem your guide answers and the advantages your e book can provide. Then be sure you use that sentence in each piece of gross

sales and promotional materials, and every time anyone asks you about your ebook.

Moreover promoting your books assiduously on-line, there are several other methods that may enable you sell more books.

An effective approach for figuring out a worth is to ship out a survey to your present customers. If these customers have already bought an e-book from you, ask for their opinion in terms of price. Do that by creating a sales page for the new ebook, but do not include a worth on that page. Instead, add quite a few links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to check out costs by making a variety of duplicate sales pages with different costs on each page. Ensure your sales copy is strictly the same on each web page, and consists of your promoting-handle sentence. Then work out for every web page the conversion ratio between visitors to your site and gross sales of your book. This can tell you what your optimum worth is.

Finally, if you've written a ebook that solves a drawback or presents a new method, your e-book will herald both site visitors and profits.
